

## REMARKS

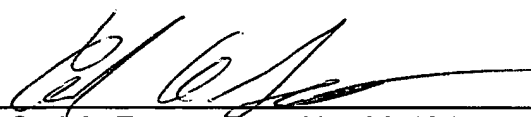

This Preliminary Amendment is being filed with a divisional patent application. Claims 1, 5, 6, 10, and 13 – 17 were withdrawn from the parent application as the result of a restriction requirement and are being prosecuted in this divisional application. Claims 2 – 4, 7 – 9, 11, and 12, therefore, are canceled. Claims 14, 16, and 17 have been amended to depend on a non-canceled independent claim.

It is noted that the parent application was inadvertently abandoned, but a Petition For Revival has been filed. A copy of this Petition is attached.

Claims 1, 5, 6, 10, and 13 – 17 are believed to be in condition for allowance and their consideration and allowance is respectfully requested. The divisional application and fee are enclosed. If any additional fee is seen to be required, please charge Deposit Account No. 50-1848.

Respectfully submitted,  
**PATTON BOGGS LLP**
